

## Employers & Manufacturers Association (EMA) Membership

Manawanui is committed to a strategy of providing you with the best resources to support you in your role as an employer under Individualised Funding (IF). To this end we have negotiated a nationwide deal providing EMA membership to our clients.

EMA offers a wide range of business services, including the toll-free Advice Line providing access to specialists in all aspects of employment relations. Whether you need to know what your obligations are to your employees if they have suffered a bereavement, or guidance regarding an employment dispute, the Advice Line team will be able to help.

To contact Advice Line call 0800 800 362 and identify yourself as a client of Manawanui. If you require additional assistance due to communication difficulties please contact us and we will work with you to see that you get the help you need.

EMA's website can be found at [www.ema.co.nz](http://www.ema.co.nz). Access to member restricted pages requires the following username and password:

Username: **advance2015**

Password: **advance2015**

For further information regarding EMA membership please contact your Coach or the Manawanui office.
